Do you have an interest in local issues? Have you got the skills and commitment to make change and champion issues in your area?

Local councillors play a vital role in their communities and we want to encourage more women, especially those from ethnic minority backgrounds to get involved.

Find out more about how you can get involved at our free event. Hear from Baroness Uddin, Chair of the government's Taskforce and other public figures about how they got involved in public life and what it means to them.
